

	DOCUMENT TITLE		INTEGRATED HSEQ POLICY			
	DOCUMENT NUMBER		IP			
	REV	02	DATE	17/11/16	PAGE	1 of 1

Established in 1972, Freeland Freight Services Ltd provides 24/7 logistics solutions locally, nationally and internationally that includes heavy lifters, craneage and transport.

Freeland Freight Services Ltd is committed to delivering the highest quality of service, in a manner that recognises the importance of Health, Safety, Quality and the Environment at every stage.

In doing so **Freeland Freight Services Ltd** will:

- Develop, implement and maintain an Integrated Management System that complies with the requirements of ISO 9001, ISO 14001 & OHSAS 18001.
- Develop the competence of our people and promote a culture of HSEQ awareness.
- Seek to prevent injury and avoid ill health of personnel, and those working on behalf of the organisation.
- Identify and comply with relevant legal and other requirements to which we subscribe.
- Responsibly dispose of or recycle materials, with a focus on preventing pollution.
- Actively communicate and involve staff in HSEQ matters.
- Provide sufficient resources to ensure HSEQ objectives can be achieved.
- Review and evaluate performance against HSEQ Objective and Targets to identify progress and promote continual improvement.

It is the responsibility of all employees and anyone working on behalf of **Freeland Freight Services Ltd** to comply with this policy, be aware of their statutory duties and take reasonable care of themselves, others and the environment.

This policy will be reviewed annually and communicated to all employees, other persons working under the control of the company and made available to other interested parties on request.
